*Recommended

1 Students scoring less than 80% in the Music Theory Placement Exam must enrol in MUCT 100 (3 credits) prior to enrolment in MUCT 2xx courses.

2 Students enter this program as a music major in one of the three primary performance areas of music therapy practice (piano, voice, or guitar); the remaining two areas will provide the standard, secondary performance areas of music therapy practice. Non-piano majors must be at a minimum entrance level of Grade 6 RCM Piano or equivalent. Students entering below the level of Grade 2 RCM or equivalent one or both of the the fundamental secondary areas (voice/guitar) will take applicable MUSI courses to reach the minimum level; students who enter at or above the minimum fundamental levels may request an exemption from the applicable MUSI courses.

3 A BA 4-year music major must be enrolled in a large ensemble each term of residency. Students who hav complted the requisite credits for their degree will continue to register for either credit or audit in each subsequent term of residency.

4 Student in this track must work closely with their faculty advisors in the Music and Psychology departments. Student intending to apply to graudate programs in music therapy may need to take additional PSYC courses depending on the specific school of application.
