S I G N - U P L I N K I N B I O

A group of diverse students, both men and women, are shown from the chest up, seated in rows. They are all wearing formal black attire: men in tuxedos with white shirts and black bowties, and women in black dresses. Many of the students are holding a single yellow rose in their hands. They all have their mouths open as if they are singing or shouting with enthusiasm. The background is a warm, dimly lit interior with wooden paneling and a large, dark cross visible in the distance. The overall mood is one of joy and anticipation.
