

YOUR ULTIMATE GUIDE TO **CUE QUEST 2018**

NEW STUDENT ORIENTATION

WELCOME TO #BURMANU!

You've arrived just in time for CUE Quest 2018.
Here are the ground rules:

Soak in the information.
Make new friends.
Create great memories.

Our campus has been waiting for you.
We're ready to see what you've got!

FROM YOUR STUDENT LEADERS

Dear New Student,

The Burman University Student Association (BUSA) welcomes you to our campus family! As your representatives, we are here to serve you and ensure that your voices are heard. It is our primary initiative to make your time here memorable and to create an environment that promotes growth in every aspect.

As you begin this experience, we offer you several key pieces of advice:

Be open to change - One of the most remarkable qualities about #BurmanU is its diverse campus. A campus with this much culture, personality, and potential is bound to create an environment of some for of self-discovery and, ultimately, self-awareness. Seldom will anyone leave this campus the way they came. And that is perfectly fine! There is so much to learn, so many people to meet, and so much growth for you to experience. This might not come in the package that you expect, but we assure you that this will definitely be a life changing experience for you. You just have to be open to it!

Do not lose sight of your spiritual goals - As you enter this new and diverse spiritual environment, make it a priority to stay grounded in your faith. The best and most crucial relationship that you can develop or maintain here is your relationship with God. Don't be afraid to ask questions and discover areas of your faith you were not aware of before. Most importantly, bear in mind that your being here is not an accident. God's will is being carried out. See your purpose in His will. In cooperation with the other leading bodies on campus, BUSA will serve to enrich your spiritual development and journey.

Get out & get involved - There are so many opportunities for you to be involved with on campus! With our many organizations, clubs, and extracurricular activities, you can explore and express your gifts and talents in the most fulfilling way possible. BUSA encourages you to get involved and serve your campus. The opportunities are endless and the outcome is nothing short of rewarding.

The BUSA team this year is aiming for more positive change and this change can only be achieved by a combined effort. We need your voice and support to make the atmosphere and changes that you desire to see come into realization. We intend to unify the campus spiritually, socially, and culturally. If you are interested in joining our team or helping in any way, please feel free to contact us via email at sa@burmanu.ca or just stop by our offices. Our offices are located in the Hilltop Hideout and our doors are always open to you. We look forward to meeting all of you and we wish you all the best on this new endeavour!
