<b>Department/School:</b>	School of Education
<b>Available:</b>	August 2022 or at a mutually agreeable date
<b>Description:</b>	<p>The School of Education at Burman University invites applications for a full-time, tenure-track faculty position in Education. Instructional roles include teaching undergraduate and after-degree Education courses. In addition to teaching, the successful applicant will be expected to be actively engaged in research and publication.</p> <p>The successful candidate will teach courses in curriculum and instruction to elementary and secondary majors, supervise education majors in their practicum experience, advise and mentor students, pursue an active program of scholarly inquiry, including presentations at conferences and publishing in scholarly journals, and participating in all committees related to the BEd program. Candidates who have experience with culturally diverse students are strongly encouraged to apply.</p> <p>Other responsibilities include service on university-wide committees. The successful candidate will have a strong commitment to Christian higher education, and be a dedicated Seventh-day Adventist Christian committed to integrating his or her faith with teaching and scholarship. Applicants should have the ability to use technology effectively in teaching and learning, bring real-world experiences to the classroom and student research projects, the ability to work collaboratively, and evidence of scholarly activity. Applicants must be eligible to work in Canada.</p>

**Qualifications:**

An earned PhD in Education or a closely related field is preferred. Candidates must have K-12 teaching experience. Preference will be given to candidates with post-secondary teaching experience and research experience. A demonstrated commitment to Seventh-day Adventist education, to community service, and to research and writing for scholarly publications is expected.

**Apply:**

Applications must include: 1) a letter of application; 2) curriculum vitae; 3) a statement of the candidate's research agenda and teaching competencies; 4) a sample of scholarly writing; 5) teaching evaluations or evidence of teaching effectiveness; 6) and the names and addresses of three referees that can speak to the candidate's competency in teaching or research.
