

2nd Annual Lifestyle Medicine & Flourishing Symposium:

Whole Person Health

May 14-17, 2026

COME AND ENJOY A FULL IMMERSION EXPERIENCE IN LIFESTYLE MEDICINE AND FLOURISHING !

An immersive experience of practical application, delicious plant based meals, socializing with like-minded and inspiring people, exercise, spirituality, the wonder of the natural world, the arts, and experiential flourishing moments! You will NOT want to miss it!

Keynote Speakers:

Dr. Roger Seheult, MD

Dr. Seheult is currently an Associate Clinical Professor at the University of California, Riverside School of Medicine, and an Assistant Clinical Professor at the School of Medicine and Allied Health at Loma Linda University.

Dr. Seheult is quadruple board-certified in Internal Medicine, Pulmonary Diseases, Critical Care Medicine, and Sleep Medicine through the American Board of Internal Medicine.

He is passionate about "demystifying" medical concepts. His interview on the podcast *Diary of a CEO* has had more than 10 million views.

Dr. Constantine (Kosti) Psimopoulos, PhD, MBE

Psimopoulos is a Kinesiologist by training and a bioethicist. He joined the faculty of Harvard's Initiative on Health, Spirituality and Religion, and the Human Flourishing program in 2024.

He describes himself as an interdisciplinarian, an educator, adaptive sports medicine clinician, a team player who always strives for the human connection in professional life and human dignity in all lives. He seeks solutions by looking at different perspectives, drawing connections and thinking systemically always and effortlessly, one who sees the best in all people and his colleagues or staff by trying to encourage them to be at their best and have passion for what they do; towards eudaemonia or human flourishing.

Brenda Davis, RD

Brenda Davis, registered dietitian, is a plant-based trailblazer and an internationally acclaimed speaker. She has been a featured speaker at medical, nutrition, and dietetic conferences in 28 countries on 6 continents. As a prolific nutrition writer, Brenda has authored/co-authored 13 books with over a million copies in print. Brenda is currently working on her 14th book on plant-based diets for older adults. She has also authored and co-authored dozens of peer-reviewed and lay articles. Brenda is a past chair of the Vegetarian Nutrition Dietetic Practice Group of the Academy of Nutrition and Dietetics. She was the lead dietitian in a type 2 diabetes randomized controlled trial in the Marshall Islands. In 2007, Brenda was inducted into the Vegetarian Hall of Fame and in 2022, she was the 7th recipient of the Plantrician Project's Luminary Award. Brenda lives in Calgary, Alberta, Canada.
