Recommended Degree Sequences

2023/24

RECOMMENDED DEGREE SEQUENCES

This booklet contains the recommended course sequences for Burman degrees. It is a *plan* to assist with your degree completion here at Burman. As things change from time to time, it is best to consult with your advisor as you proceed through your degree. Also, the sequences do not take into consideration any minor or certificate that you may wish to pursue. Including a minor or certificate with a degree will require careful planning. Check with your Advisor.

Note, *this is a course planning guide only*. Actual degree requirements are in the Academic Calendar. Make sure the courses taken actually meet degree requirements. Every effort has been made to make sure the degree sequences cover all required courses. But the ultimate authority for meeting graduation requirements is contained in the Academic Calendar.

Burman Scholars Program: The Burman Scholars program may be used in any degree to replace the Breadth requirements. Doing so will alter the course sequences as published in this document. A student in the Scholars program should consult their Advisor as well as the Scholars Advisor for program completion details. Admission to the Burman Scholars program is by application only. Please see the Academic Calendar for details.

COLUMN LEGEND

✓	Place a check in the box when the course is successfully completed. See the actual degree requirements in the Academic Calendar for minimum grade requirements, etc.
R	Refers to the course rotation schedule. See the legend at the bottom of every page. This will help determine when a course is being offered for planning purposes.
PR	Denotes what program area is being met by the course. Check the Academic Calendar requirements for your degree. BR – Breadth CG – Cognate CN – Concentration EL – Elective MJ – Major PF – Professional PP – Pre-professional SP – Specialization
YR	Denotes the recommended year and term a course is to be taken.
CR	Number or credits to be taken. Most courses are 3 credits.

EDCI315 & RELH315 - Extra Courses required for SDACC certification.

* All four-year BEd degree candidates are required to complete at least three credits of RELB, and six credits of RELB, RELG, RELH, or RELT. EDCI 315 and RELH 315 are additionally required for SDA Teacher Certification. RELB 201/202/351/352/445/455, EDCI 315, RELT 130, and RELH 315 are not applicable to meet any Alberta Teacher Certification requirement. Candidates seeking the additional SDA Certification must choose to take EDCI 315 and RELH 315, for a total of six EXTRA credits. The Seventh-day Adventist health principles are required for SDA Teacher Certification; they are embedded in the content of both EDCI 315 and UNIV 110.

**Candidate must achieve CGPA of 2.00 or better in order to qualify for enrolment in EDPR 285 in Year 1 winter term.

EDCI315 & RELH315 - Extra Courses required for SDACC certification.

* All four-year BEd degree candidates are required to complete at least three credits of RELB, and six credits of RELB, RELG, RELH, or RELT. EDCI 315 and RELH 315 are additionally required for SDA Teacher Certification. RELB 201/202/351/352/445/455, EDCI 315, RELT 130, and RELH 315 are not applicable to meet any Alberta Teacher Certification requirement. Candidates seeking the additional SDA Certification must choose to take EDCI 315 and RELH 315, for a total of six EXTRA credits. The Seventh-day Adventist health principles are required for SDA Teacher Certification; they are embedded in the content of both EDCI 315 and UNIV 110.

**Candidate must achieve CGPA of 2.00 or better in order to qualify for enrolment in EDPR 285 in Year 1 winter term.

***If the Specialization and Minor both required the same methods course, an alternate EDCI 4XX C&I/Secondary School methods course must be chosen in the fall of Year 3.

EDCI315 & RELH315 - Extra Courses required for SDACC certification.

^Candidates must take one of ECON 101/102 and one of PLSC 206/210. The choices made will determine which term the courses fit into.

* All four-year BEd degree candidates are required to complete at least three credits of RELB, and six credits of RELB, RELG, RELH, or RELT. EDCI 315 and RELH 315 are additionally required for SDA Teacher Certification. RELB 201/202/351/352/445/455, EDCI 315, RELT 130, and RELH 315 are not applicable to meet any Alberta Teacher Certification requirement. Candidates seeking the additional SDA Certification must choose to take EDCI 315 and RELH 315, for a total of six EXTRA credits. The Seventh-day Adventist health principles are required for SDA Teacher Certification; they are embedded in the content of both EDCI 315 and UNIV 110.

**Candidate must achieve CGPA of 2.00 or better in order to qualify for enrolment in EDPR 285 in Year 1 winter term.

***If the Specialization and Minor both required the same methods course, an alternate EDCI 4XX C&I/Secondary School methods course must be chosen in the fall of Year 3.

** Note: Those entering the BEd AD Secondary Track should have completed a minimum of 36 credits in one K-12 teachable subject (referred to as the "specialization"), and 18 credits in a second K-12 teachable subject (referred to as the "minor"). If either area is short on credits, additional courses can be chosen to make up for these deficiencies.

There are 12 credits required in the BEd AD Secondary track that can be used for this purpose, or the candidate may choose Elective to fulfil these credit requirements in Year 1 of the BEd AD sequence. The 12 credits may also be met by previous post-secondary study, as long as they are in excess of the required courses for the candidate's first degree.
