1. Contact respective administrator (Burman/PAA)
2. Contact RCMP (optional if over 18 years of age)
3. Contact parents (optional if over 18 years of age)
4. Offer immediate available support of deans, pastors, counselors
5. Call in a support person from counseling dept. for continued support
6. Contact Public Relations person to prepare statement of incidence to faculty/staff, students, and the press.
7. Faculty/staff notification by telephone Fan Out of a general meeting to be helped (specify date and time).
8. Student notification-by available advertising means
9. Follow-up with victim in offering support
10. Deal with the perpetrator, if applicable

Campus Concerns:

Some areas of campus that would assist in preventing assault crisis on campus would include:

1. Strengthening security
2. Campus lighting on all paved roadways
3. Education for measures of safety on a regular basis
4. Encourage development of community support network (Community Watch indicators in windows)
